### HIGHEST PRIORITY HIGHWAY PROJECTS IN JAMES CITY COUNTY

WHEREAS, the James City County Board of Supervisors believes that a safe, efficient and adequate transportation network is vital to the future of the County and the region; and

WHEREAS, the James City County Comprehensive Plan and/or regional and State transportation plans and studies conclude that the following highway projects are essential to permit the safe and efficient movement of traffic in the Williamsburg-James City County area; and

WHEREAS, there exists a pressing need to implement the projects below in order to relieve traffic congestion which causes inconvenience and delay, impedes the actions of emergency vehicles and personnel, and contributes the major source of air pollution to the area; and

WHEREAS, public hearings for the corridor selection of Route 199 were successfully completed in 1979 and again in 1986, and the access point for the Grove Interchange on Interstate 64 was approved in 1979; and

WHEREAS, the Commonwealth Transportation Board has included funding for the Grove Interchange in the Six-Year Improvement Program, FY 93-98, in recognition of the need for improved traffic circulation in the vicinity of Busch Gardens and the need to provide improved access to major developing industrial and commercial areas in James City County and Newport News; and

WHEREAS, the Commonwealth Transportation Board has also recognized the tremendous traffic impacts caused by commercial development in the Lightfoot area by approving funding for the construction of Route 199 between Interstate 64 and Olde Towne Road (Route 658) and between John Tyler Highway (Route 5) and Ironbound Road (Route 615) in the FY 93-98 Six-Year Program; and

WHEREAS, the adopted Skiffe's Creek Area Development Plan, incorporated into the Comprehensive Plan of James City County, designates new roadway construction bypassing hazardous portions of Pocahontas Trail (Route 60 East) and providing access to a major future industrial area; and

WHEREAS, the Secretary of Transportation has requested lower cost interim improvements along our major roadways.

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of James City County, Virginia, that the following list comprises the highest priority primary highway projects in James City County:

- o The design, construction and completion of Route 199 from Interstate 64 to John Tyler Highway (Route 5) as a full four-lane facility, and the widening

of the existing section of Route 199 to four lanes in those areas where only two lanes presently exist.

- o The design and construction of the Grove Interchange on Interstate 64 as programmed in the adopted FY 93-98 Six-Year Improvement Program.
- o The design of an alternate alignment of Pocahontas Trail (Route 60 East) between the Anheuser-Busch access road and the Newport News city limits.
- o Interim improvements to six intersections on Pocahontas Trail (Route 60 East) by constructing turn lanes.
- o Design and construct one additional interchange as part of Route 199 construction.
