

RESOLUTION

SUPPORT OF THE PARTNERS IN PREVENTION INITIATIVE

WHEREAS, the Federal government has allocated \$100 million in each of Federal Fiscal Years 1999 through 2002, to be divided among the five states that have most reduced out-of-wedlock births in the previous two years without an increase in the abortion rate; and

WHEREAS, the Commonwealth of Virginia has become the first state in the nation to announce its candidacy for one of these Federal awards by supplying incentives to local governments, service agencies, religious institutions, nonprofit organizations and citizens to develop local solutions to the out-of-wedlock birth problem; and

WHEREAS, the Commonwealth of Virginia proposes to distribute any Federal award Virginia receives directly to a locality that becomes a Partner in Prevention by adopting a formal resolution of participation in the initiative and by submitting a plan, reflecting whole community input, to reduce out-of-wedlock births locally.
