

RESOLUTION

CASE NO. SUP-29-01. A-STAT RESTORATION SERVICES

WHEREAS, the Board of Supervisors of James City County has adopted by ordinance specific land uses that shall be subjected to a special use permit process; and

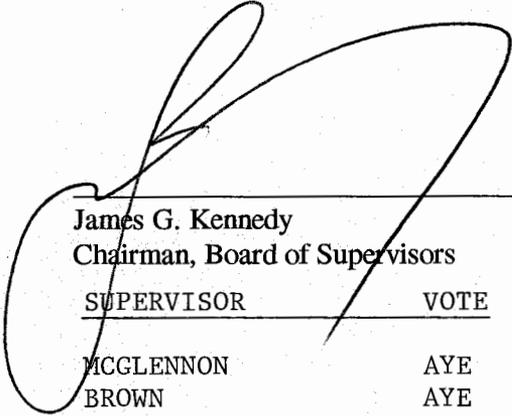

WHEREAS, Business, government and professional office buildings are a specially permitted use in the R-8, Rural Residential, zoning district; and

WHEREAS, the Planning Commission of James City County, following its public hearing on January 14, 2002, recommended approval of Case No. SUP-29-01 by a unanimous vote to permit the construction of an approximately 12,000 square foot office building located at 133 Powhatan Springs Road and further identified as Parcel No. (1-9) on James City County Real Estate Tax Map No. (46-2).

NOW, THEREFORE, BE IT RESOLVED that the Board of Supervisors of James City County, Virginia, does hereby approve the issuance of Special Use Permit No. SUP-29-01 as described herein with the following conditions:

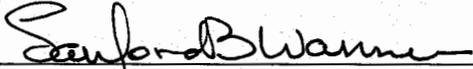

1. Construction. If construction has not begun on the project within 24 months of the issuance of the special use permit, it shall become void. Construction shall be defined as securing permits for land disturbance, building construction, clearing and grading, and the pouring of footings.
2. Master Plan. Development of the site shall be generally in accordance with the "Master Plan, A-Stat Restoration Services" prepared by Morris Mason, and dated January 8, 2002, with such accessory structures and minor changes as the Planning Director determines does not change the basic concept or character of the development.
3. Tank Removal. Prior to obtaining a Certificate of Occupancy, the owner shall remove the gas pump and underground fuel tank from the property.
4. Lot Line Extinguishment. Prior to final site plan approval, the owner shall receive approval of and record a subdivision plat which extinguishes the lot line separating Parcels A and Parcel B on the property identified as Parcel No. (1-9) on James City County Real Estate Tax Map No. (46-2).
5. Landscaping. A landscaping plan shall be approved by the Planning Director or his designee prior to final site plan approval. The owner shall provide enhanced landscaping for the area along the property frontage on Powhatan Springs Road, along the portions of the property adjacent to residential homes, and along areas designated on the Master Plan for parking. Enhanced landscaping shall be defined as 133 percent of the Zoning Ordinance landscape requirements.

6. Signs. Signage on the site shall be limited to a single ground mounted, monument style, freestanding sign further limited to a maximum of 16 square feet along the Powhatan Springs Road right of way. The sign shall be externally illuminated and shall be approved by the Planning Director or his designee prior to final site plan approval.
7. Fence. Any existing perimeter fence which is removed as part of the development shall be replaced with a black or dark green colored chain link fence or solid wood fence and identified on the development plans and approved by the Planning Director or his designee prior to final site plan approval.
8. Dumpsters. All dumpsters on the property shall be screened by landscaping and fencing in a location approved by the Planning Director or his designee prior to final site plan approval.
9. Water Conservation. The owner shall be responsible for developing and enforcing water conservation standards to be submitted to and approved by the James City Service Authority. The standards may include, but shall not be limited to such water conservation measures as limitations on the installation and use of irrigation systems and irrigation wells, the use of approved landscaping materials, including the use of drought tolerant plants if and where appropriate and the use of water conserving fixtures and appliances to promote water conservation and minimize the use of public water resources. The water conservation standards shall be approved by the James City Service Authority prior to final site plan approval.
10. Lighting. All exterior light fixtures, including building lighting, on the property shall have recessed fixtures with no lens, bulb, or globe extending below the casing. In addition, a lighting plan shall be submitted to, and approved by, the Planning Director or his designee which indicates no glare outside the property lines. All light poles shall not exceed 20-feet in height unless otherwise approved by the Director of Planning prior to final site plan approval. "Glare" shall be defined as more than 0.1 footcandle at the property line or any direct view of the lighting source from the adjoining residential properties.
11. Architecture. Prior to final site plan approval, the Planning Director shall review and approve the final building elevations and architectural design of the office building. Such approval as determined by the Planning Director shall ensure that the design, building materials, color, and scale of the office building and any future building additions are compatible with the surrounding residential area.
12. Severability. This special use permit is not severable. Invalidation of any word, phrase, clause, sentence or paragraph shall invalidate the remainder.

James G. Kennedy
Chairman, Board of Supervisors
