

RESOLUTION

ROUTE 60 EAST CONSTRUCTION

WHEREAS, the construction and relocation of Route 60 East from James City County to the Fort Eustis interchange in Newport News is a high priority transportation project in James City County; and

WHEREAS, funding the entire 5-6 mile project may be difficult for the Commonwealth given other demands on the transportation funding system; and

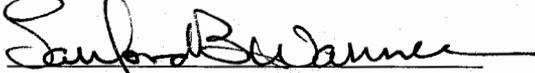

WHEREAS, significant regional transportation benefits could be derived from construction of the section of the roadway from Route 60 East in James City County, eastward to the Newport News Fort Eustis interchange, prior to completion of the remaining section in James City County.

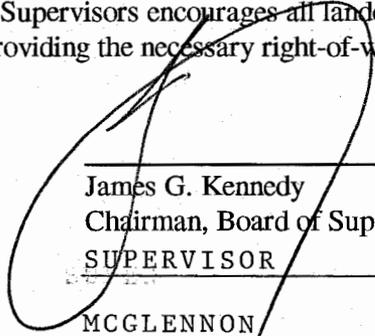

NOW, THEREFORE, BE IT RESOLVED that the Board of Supervisors of James City County, Virginia, hereby encourages the Commonwealth Transportation Board to take the following actions to facilitate more rapid progress on the construction of Route 60 East:

- Divide the project into two sections;
- Concentrate design and construction resources on the section from Route 60 in James City County to the Fort Eustis interchange;
- Construct the above section of the project in advance of the remaining section;
- Place the construction of remaining section of the project in the Virginia Transportation Development Plan, although in a later year.

BE IT FURTHER RESOLVED that the Board of Supervisors encourages all landowners along the corridor to be fully cooperative in providing the necessary right-of-way for the project.

ATTEST:

Sanford B. Wanner
Clerk to the Board

James G. Kennedy
Chairman, Board of Supervisors

<u>SUPERVISOR</u>	<u>VOTE</u>
