(ROUTE 641) AND ON THE ENTIRE LENGTH OF GOVERNMENT ROAD (ROUTE 677)

WHEREAS, residents of the neighborhoods adjacent to the intersection of Penniman Road and Government Road have requested that consideration be given to the establishment of "No Through Trucks" restrictions on a segment of Penniman Road and the entire length of Government Road; and

WHEREAS, the Board of Supervisors has determined that large truck traffic traversing the segment of Penniman Road between Route 143 and the eastern intersection with Alexander Lee Parkway (Route 705), and the entire length of Government Road between Route 143 and Penniman Road, represents a potential safety risk to residents of the area; and

WHEREAS, after conducting a duly advertised public hearing, the Board of Supervisors is of the opinion that the criteria established by the Virginia Department of Transportation (VDOT) pertaining to the eligibility of streets for such restrictions can be met; and

WHEREAS, the Board of Supervisors recognizes that consideration and approval of this request by the VDOT and the Commonwealth Transportation Board (CTB) is dependent on the submission of a companion request by York County which reviewed and approved the matter on April 19, 2011, for the portions of the subject routes where their centerlines coincide with the jurisdictional boundary between James City County and York County.

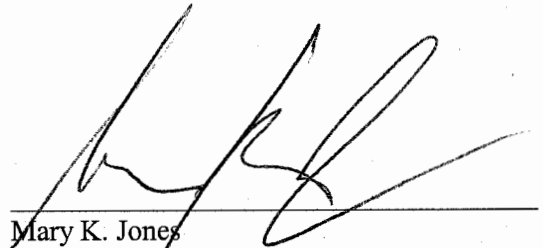

NOW, THEREFORE, BE IT RESOLVED that the Board of Supervisors of James City County, Virginia, requests that VDOT and the CTB consider the establishment of a "No Through Trucks" restrictions on the following routes:
