DATE: November 21, 1991
TO: The Board of Zoning Appeals
FROM: Leo P. Rogers, Assistant County Attorney *L.P.R.*
SUBJECT: ZA-12-91, University Square Associates

University Square Associates petitioned the Circuit Court to review the Board of Zoning Appeals' decision sustaining the decision of the Zoning Administrator that a proposed site plan was inconsistent with a condition of Special Use Permit Number 49-90. The petition names the Board of Zoning Appeals, the Zoning Administrator and the County as defendants.

At your October meeting, I informed you that I could not represent the Board due to a potential conflict of interest with my representation of the Zoning Administrator and the County. The County Attorney's Office will be representing both the Zoning Administrator and the County in the litigation. I don't see any present conflict in representing the Board of Zoning Appeals in this action should this Board desire to be represented by the County Attorney's Office.
