MEMORANDUM

DATE: April 13, 2011

TO: The Chesapeake Bay Board

FROM: Michael D. Woolson

SUBJECT: Case No. CBE-10-032, Stonehouse LandBay 3 gravity sewer

Mr. Curtis Hickman, agent for G.S. Stonehouse Green Land Sub, LLC, is requesting an extension of the expiration date for Chesapeake Bay Board Exception CBE-10-032. The extension is being requested due to logistical problems associated with the funding for the infrastructure improvements. All permit conditions required within CBE-10-032 shall apply to the permit extension. Staff concurs with this request and recommends that the Chesapeake Bay Board extend the expiration date to April 13, 2012.

MEMORANDUM

DATE: April 13, 2011

TO: The Chesapeake Bay Board

FROM: Michael D. Woolson

SUBJECT: Case No. CBE-10-018, Stonehouse LandBay 12 gravity sewer

Mr. Curtis Hickman, agent for G.S. Stonehouse Green Land Sub, LLC, is requesting an extension of the expiration date for Chesapeake Bay Board Exception CBE-10-018. The extension is being requested due to logistical problems associated with the funding for the infrastructure improvements. All permit conditions required within CBE-10-018 shall apply to the permit extension. Staff concurs with this request and recommends that the Chesapeake Bay Board extend the expiration date to May 12, 2012.
