## **ARTICLE I. IN GENERAL**

### **Sec. 3-1. Definitions.**

*For the purposes of this chapter, the following words shall have the meaning given herein.*

*Abandon. To desert, forsake, or to absolutely give up an animal without having secured another owner or custodian or failing to provide the following basic elements of care for a period of five consecutive days: adequate feed, water, shelter, exercise, space in the primary enclosure for the particular type of animal depending on its age, size and weight; care, treatment, and transportation; and veterinary care when needed to prevent suffering or disease transmission.*

*Adequate care or care. The responsible practice of good animal husbandry, handling, production, management, confinement, feeding, watering, protection, shelter, transportation, treatment, and, when necessary, euthanasia appropriate for the age, species, condition, size and type of the animal and the provision of veterinary care when needed to prevent suffering or impairment of health.*

*Adequate exercise. The opportunity for the animal to move sufficiently to maintain normal muscle tone and mass for the age, species, size and condition of the animal.*

*Adequate feed. The access to and the provision of food which is of sufficient quantity and nutritive value to maintain each animal in good health; is accessible to each animal; is prepared so as to permit ease of consumption for the age, species, condition, size and type of each animal; is provided in a clean and sanitary manner; is placed so as to minimize contamination by*

*excrement and pests; and is provided at suitable intervals for the species, age and condition of the animal, but at least once daily, except as prescribed by a veterinarian or as dictated by naturally occurring states of hibernation or fasting normal for the species.*

*Adequate shelter. The provision of and access to shelter that is suitable for the species, age, condition, size and type of each animal; provides adequate space for each animal, is safe and protects each animal from injury, rain, sleet, snow, hail, direct sunlight, the adverse effects of heat or cold, physical suffering and impairment of health; is properly lighted; is properly cleaned; enables each animal to be clean and dry except when detrimental to the species; and, for dogs and cats, provides a solid surface, resting platform, pad, floor mat or similar device that is large enough for the animal to lie on in a normal manner and can be maintained in a sanitary manner. Under this chapter, shelters whose wire, grid or slat floors (i) permit the animals' feet to pass through the openings, (ii) sag under the animals' weight or (iii) otherwise do not protect the animals' feet or toes from injury are not adequate shelter.*

*Adequate space. Sufficient space to allow each animal to (i) easily stand, sit, lie, turn about and make all other normal body movements in a comfortable, normal position for the animal and (ii) interact safely with other animals in the enclosure. When an animal is tethered, "adequate space" means a tether that permits the above actions and is appropriate to the age and size of the animal; is attached to the animal by a properly applied collar, halter or harness configured so as to protect the animal from injury and prevent the animal or tether from becoming entangled with other objects or animals, or from extending over an object or edge that could result in the strangulation or injury of the animal; and is at least three times the length of the animal, as measured from the tip of its nose to the base of its tail, except when the animal is being walked on a leash or is attached by a tether to a lead line. When freedom of movement would endanger the animal, temporarily and appropriately restricting movement of the animal according to professionally accepted standards for the species is considered provision of adequate space.*

*Adequate water. Provision of and access to clean, fresh, potable water of a drinkable temperature which is provided in a suitable manner, in sufficient volume and at suitable intervals, but at least once every 12 hours to maintain normal hydration for the age, species, condition, size and type of each animal, except as prescribed by a veterinarian or as dictated by naturally occurring states of hibernation or fasting normal for the species; and is provided in clean, durable receptacles which are accessible to each animal and are placed so as to minimize contamination of the water by excrement and pests or an alternative source of hydration consistent with generally accepted husbandry practices.*

*Adoption. The transfer of ownership of a dog or cat or any other companion animal from a releasing agency to an individual.*

*Agricultural animals. Livestock and poultry.*

*Animal.* Any nonhuman vertebrate species except fish. For the purposes of article IV, "animal" means any animal susceptible to rabies. For the purposes of section 3-9, "animal" means any nonhuman vertebrate species including fish except those fish captured and killed or disposed of in a reasonable and customary manner.

*Animal control officer.* A person appointed by the board of supervisors as an animal control officer or deputy animal control officer.

*Animal shelter.* A facility, other than a private residential dwelling and its surrounding grounds, that is used to house or contain animals and that is owned, operated or maintained by a nongovernmental entity including, but not limited to, a humane society, animal welfare organization, society for the prevention of cruelty to animals, or any other organization operating for the purpose of finding permanent adoptive homes for animals.

*Boarding establishment.* A place or establishment other than a pound or animal shelter where companion animals not owned by the proprietor are sheltered, fed and watered in exchange for a fee.

*Clearly visible sign.* A sign that is (i) unobstructed from view, (ii) contains legible writing, and (iii) may be read by an ordinary person without assistance while standing ten feet away from the sign.

*Companion animal.* Any domestic or feral dog, domestic or feral cat, nonhuman primate, guinea pig, hamster, rabbit not raised for human food or fiber, exotic or native animal, reptile, exotic or native bird, or any feral animal or animal under the care, custody, or ownership of a person or any animal that is bought, sold, traded, or bartered by any person. Agricultural animals, game species, or any animals regulated under federal law as research animals shall not be considered companion animals for the purposes of this chapter.

*Direct and immediate threat.* Any clear and imminent danger to an animal's health, safety or life.

*Dump.* Knowingly desert, forsake, or absolutely give up without having secured another owner or custodian any dog, cat, or other companion animal in any public place including the right-of-way of any public highway, road or street or on the property of another.

*Emergency veterinary treatment.* Veterinary treatment to stabilize a life-threatening condition, alleviate suffering, prevent further disease transmission, or prevent further disease progression.

*Enclosure.* A structure used to house, or restrict animals from running at large.

*Euthanasia.* The humane destruction of an animal accomplished by a method that involves instantaneous unconsciousness and immediate death or by a method that involves anesthesia produced by an agent which causes painless loss of consciousness and death during unconsciousness.

*Foster care provider. An individual who provides care or rehabilitation for companion animals through an affiliation with a pound, animal shelter, or other releasing agency.*

*Kennel. Any establishment in which five or more canines, felines, or hybrids of either are kept for the purpose of breeding, hunting, training, renting, buying, boarding, selling, or showing.*

- (4) Acts as a custodian of an animal.*

*Primary enclosure. Any structure used to immediately restrict an animal or animals to a limited amount of space, such as a room, pen, cage, compartment or hutch. For tethered animals, this term includes the shelter and the area within reach of the tether.*

*Properly cleaned. Carcasses, debris, food waste and excrement are removed from the primary enclosure with sufficient frequency to minimize the animals' contact with the above-mentioned contaminants; the primary enclosure is sanitized with sufficient frequency to minimize odors and the hazards of disease; and the primary enclosure is cleaned so as to prevent the animals confined therein from being directly or indirectly sprayed with the stream of water, or directly or indirectly exposed to hazardous chemicals or disinfectants.*

*Releasing agency. A pound, animal shelter, humane society, animal welfare organization, society for the prevention of cruelty to animals, or other similar entity or home-based rescue, that releases companion animals for adoption.*

*Sterilize or sterilization. A surgical or chemical procedure performed by a licensed veterinarian that renders an animal permanently incapable of reproducing.*

*Treatment or adequate treatment. The responsible handling, or transportation of animals in the person's ownership, custody or charge, appropriate for the age, species, condition, size and type of the animal.*

### **Sec. 3-3. Dogs and cats deemed personal property.**

*(a) All dogs and cats shall be deemed personal property and may be the subject of larceny and malicious or unlawful trespass. Owners may maintain any action of the killing of any such animal, or injury thereto, or unlawful detention or use thereof as in the case of other personal property. The owner of any dog or cat which is injured or killed contrary to the provisions of this chapter by any person shall be entitled to recover the value thereof or the damage done thereto in an appropriate action at law from such person.*

*(b) An animal control officer or other officer finding a stolen dog or cat, or a dog or cat held or detained contrary to law, shall have authority to seize and hold such animal pending action before a general district court or other court. If no such action is instituted within seven days, the animal control officer or other officer shall deliver the dog or cat to its owner.*

*(c) The presence of a dog or cat on the premises of a person other than its legal owner shall raise no presumption of theft against the owner and the animal control officer may take such animal in charge and notify its legal owner to remove it. The legal owner of the animal shall pay the actual cost of keeping such animal while the animal is in the possession of the animal control officer.*

*State law reference-Similar provisions, Code of Va., § 3.1-796.127.*

**Sec. 3-4. Wild animals not to be brought into or kept within the county.**

*It shall be unlawful for any person to bring or keep any wild animals within the county; provided, however, that wild animals shall be permitted to be brought into and kept within the county for purposes of exhibit or as a part of a permanent animal show when the wild animals are located within a thematic park situated in the county. As used in this section, "wild animals" means any animal which by nature or disposition is untamed.*

**State law reference-***General powers of counties, Code of Va. § 15.2-1200; Regulation of keeping of animals and fowl, Code of Va. § 3.1-796.94:1*

**Sec. 3-5. Exotic or poisonous animals prohibited from running at large.**

*(a) Exotic or poisonous animals shall not run at large in the county. For purposes of this section, "at large" shall mean roaming, running, or self-hunting off the premises of the owner or custodian and not under the immediate control of the owner or his agent.*

*(b) Any exotic or poisonous animal observed or captured while unlawfully running at large shall be disposed of in accordance with sections 3-45 through 3-47.*

*(c) For any exotic or poisonous animal identified as to ownership, if such exotic or poisonous animal is captured and confined by the animal control officer or other officer appointed under the provisions of this chapter, the owner shall be charged with the county's actual expenses incurred in locating, capturing, and impounding or otherwise disposing of the animal.*

**State code reference-***Similar provision, Code of Va., § 3.1-796.94:1.*

**Sec. 3-6. Nuisances.**

*(a) All animal owners shall exercise proper care and control of their animals to prevent them from becoming a public nuisance. Excessive, continuous or untimely barking, molesting passersby, biting or attacking any person without provocation on one or more occasions, chasing vehicles, habitually attacking other domestic animals, trespassing upon school grounds or trespassing upon private property in such manner as to damage property shall be deemed a nuisance. Repeated running at large after citation of the owner by any animal control officer shall also be deemed a nuisance.*

*(b) Any such person owning any animal constituting a nuisance shall be summoned before the general district court to show cause why such animal should not be confined, destroyed, removed, or the nuisance otherwise abated and upon proof that the animal constitutes a public nuisance the animal in question shall, by order of the general district court, either be confined, destroyed, removed or the nuisance otherwise be abated as such court shall order; the court may also impose a fine up to \$100.00 to be paid by the owner or custodian of such animal. It shall be unlawful and shall constitute contempt of court for any person to harbor or conceal any animal which has been ordered destroyed or removed by the general district court or to fail to confine or restrain an animal when such an order has been entered by the court.*

*(c) If any animal control officer or his duly authorized agent has reason to believe that any animal has, without provocation, attacked or bitten any person, such animal may be taken into custody and confined by the animal control officer pending determination of the courts pursuant to this section.*

*(d) Any person who owns any dog, cat or other animal that has been adjudged a nuisance pursuant to this section by the general district court and who appeals that decision to the circuit court shall be responsible for the fees connected with the impounding of the animal by the animal warden control officer. The animal control officer or owner shall confine such dog, cat or other animal during pendency of the appeal to prevent a reoccurrence of the nuisance. If on appeal the circuit court determines that the dog, cat or other animal is not a nuisance, no such fees for the impounding of the animal shall be imposed.*

**State law reference-***General powers of counties, Code of Va. § 15.2-1200.*

**Sec. 3-7. Disposal of dead animals.**

*(a) Companion animals. The owner of any companion animal which has died from disease or other cause shall forthwith cremate, bury, or sanitarily dispose of the same. If, after notice, any owner fails to do so, the animal control officer or other officer shall bury or cremate the companion animal, and he may recover on behalf of the county from the owner his cost for this service.*

*(b) Other animals. When the owner of any animal or grown fowl other than a companion animal which has died knows of such death, such owner shall forthwith have its body cremated or buried, and, if he fails to do so, any judge of a general district court, after notice to the owner if he can be ascertained, shall cause any such dead animal or fowl to be cremated or buried by an officer or other person designated for the purpose. Such officer or other person shall be entitled to recover of the owner of every such animal so cremated or buried the actual cost of the cremation or burial, not to exceed \$75.00, and of the owner of every such fowl so cremated or buried the actual cost of the cremation or burial, not to exceed \$5.00, to be recovered in the same manner as officers' fees are recovered, free from all exemptions in favor of such owner. Nothing in this subsection shall be deemed to require the burial or cremation of the whole or portions of any animal or fowl which is to be used for food or in any commercial manner.*

*(c) Penalty. Any person violating the provisions of this section shall be guilty of a Class 4 misdemeanor.*

**State law references-***Disposal of dead companion animals, Code of Va., § 3.1-796.121; burial or cremation of animals or fowl which have died, Code of Va., § 18.2-510.*

**Sec. 3-8. Dangerous and vicious animals.**

*(a) As used in this section:*

*“Dangerous dog.” A canine or canine crossbreed that has bitten, attacked, or inflicted injury on a person or companion animal that is a dog or cat, or killed a companion animal that is a dog or cat. However, when a dog attacks or bites a companion animal that is a dog or cat, the attacking or biting dog shall not be deemed dangerous (i) if no serious physical injury as determined by a licensed veterinarian has occurred to the dog or cat as a result of the attack or bite, (ii) if both animals are owned by the same person, (iii) if such attack occurs on the property of the attacking or biting dog’s owner or custodian, or (iv) for other good cause as determined by the court. No dog shall be found to be a dangerous dog as a result of biting, attacking, or inflicting injury on a dog or cat while engaged with an owner or custodian as part of lawful hunting or participating in an organized, lawful dog handling event.*

*“Vicious dog.” A canine or canine crossbreed that has (i) killed a person; (ii) inflicted serious injury to a person, including multiple bites, serious disfigurement, serious impairment of health, or serious impairment of a bodily function; or (iii) continued to exhibit the behavior that resulted in a previous finding by a court or, on or before July 1, 2006, by an animal control officer as authorized by local ordinance, that it is a dangerous dog, provided that its owner has been given notice of that finding.*

*(b) Any law-enforcement officer or animal control officer who has reason to believe that a canine or canine crossbreed within the county is a dangerous dog or vicious dog shall apply to a magistrate of the county for the issuance of a summons requiring the owner or custodian, if known, to appear before a general district court at a specified time. The summons shall advise the owner of the nature of the proceeding and the matters at issue. If a law-enforcement officer successfully makes an application for the issuance of a summons, he shall contact the local animal control officer and inform him of the location of the dog and the relevant facts pertaining to his belief that the dog is dangerous or vicious. The animal control officer shall confine the animal until such time as evidence shall be heard and a verdict rendered. If the animal control officer determines that the owner or custodian can confine the animal in a manner that protects the public safety, he may permit the owner or custodian to confine the animal until such time as evidence shall be heard and a verdict rendered. The court, through its contempt powers, may compel the owner, custodian or harbinger of the animal to produce the animal. If, after hearing the evidence, the court finds that the animal is a dangerous dog, the court shall order the animal’s owner to comply with the provisions of this section. If, after hearing the evidence, the court finds that the animal is a vicious dog, the court shall order the animal euthanized in accordance with the provisions of section 3-45. The procedure for appeal and trial shall be the same as provided by law for misdemeanors. Trial by jury shall be as provided in Article 4 (Section 19.2-260 et seq.) of Chapter 15 of Title 19.2 of the Code of Virginia. The Commonwealth shall be required to prove its case beyond a reasonable doubt.*

*(c) No canine or canine crossbreed shall be found to be a dangerous dog or vicious dog solely because it is a particular breed, nor is the ownership of a particular breed of canine or canine crossbreed prohibited. No animal shall be found to be a dangerous dog or vicious dog if the*

*threat, injury or damage was sustained by a person who was (i) committing, at the time, a crime upon the premises occupied by the animal's owner or custodian, (ii) committing, at the time, a willful trespass upon the premises occupied by the animal's owner or custodian, or (iii) provoking, tormenting, or physically abusing the animal, or can be shown to have repeatedly provoked, tormented, abused, or assaulted the animal at other times. No police dog that was engaged in the performance of its duties as such at the time of the acts complained of shall be found to be a dangerous dog or a vicious dog. No animal that, at the time of the acts complained of, was responding to pain or injury, or was protecting itself, its kennel, its offspring, a person, or its owner's or custodian's property, shall be found to be a dangerous dog or a vicious dog.*

*(d) If the owner of an animal found to be a dangerous dog is a minor, the custodial parent or legal guardian shall be responsible for complying with all requirements of this section.*

*(e) The owner of any animal found to be a dangerous dog shall, within 10 days of such finding, obtain a dangerous dog registration certificate from the local animal control officer for a fee of \$50, in addition to other fees that may be authorized by law. The local animal control officer shall also provide the owner with a uniformly designed tag that identifies the animal as a dangerous dog. The owner shall affix the tag to the animal's collar and ensure that the animal wears the collar and tag at all times. All certificates obtained pursuant to this subsection shall be renewed annually for the same fee and in the same manner as the initial certificate was obtained. The animal control officer shall provide a copy of the dangerous dog registration certificate and verification of compliance to the State Veterinarian.*

*(f) All dangerous dog registration certificates or renewals thereof required to be obtained under this section shall only be issued to persons 18 years of age or older who present satisfactory evidence (i) of the animal's current rabies vaccination, if applicable, (ii) that the animal has been neutered or spayed, and (iii) that the animal is and will be confined in a proper enclosure or is and will be confined inside the owner's residence or is and will be muzzled and confined in the owner's fenced-in yard until the proper enclosure is constructed. In addition, owners who apply for certificates or renewals thereof under this section shall not be issued a certificate or renewal thereof unless they present satisfactory evidence that (i) their residence is and will continue to be posted with clearly visible signs warning both minors and adults of the presence of a dangerous dog on the property and (ii) the animal has been permanently identified by means of a tattoo on the inside thigh or by electronic implantation. All certificates or renewals thereof required to be obtained under this section shall only be issued to persons who present satisfactory evidence that the owner has liability insurance coverage, to the value of at least \$100,000 that covers animal bites. The owner may obtain and maintain a bond in surety, in lieu of liability insurance, to the value of at least \$100,000.*

*(g) While on the property of its owner, an animal found to be a dangerous dog shall be confined indoors or in a securely enclosed and locked structure of sufficient height and design to prevent its escape or direct contact with or entry by minors, adults, or other animals. The structure shall be designed to provide the animal with shelter from the elements of nature. When off its owner's property, an animal found to be a dangerous dog shall be kept on a leash and muzzled in such a manner as not to cause injury to the animal or interfere with the animal's vision or respiration, but so as to prevent it from biting a person or another animal.*

*(h) The owner of any dog found to be dangerous shall register the animal with the Commonwealth of Virginia Dangerous Dog Registry, as established under Section 3.1-796.93:3 of the Code of Virginia, within 45 days of such a finding by a court of competent jurisdiction. The owner shall also cause the local animal control officer to be promptly notified of (i) the names, addresses, and telephone numbers of all owners; (ii) all of the means necessary to locate the owner and the dog at any time; (iii) any complaints or incidents of attack by the dog upon any person or cat or dog; (iv) any claims made or lawsuits brought as a result of any attack; (v) tattoo or chip identification information or both; (vi) proof of insurance or surety bond; and (vii) the death of the dog.*

*(i) After an animal has been found to be a dangerous dog, the animal's owner shall immediately, upon learning of same, cause the local animal control authority to be notified if the animal (i) is loose or unconfined; or (ii) bites a person or attacks another animal; or (iii) is sold, given away, or dies. Any owner of a dangerous dog who relocates to a new address shall, within 10 days of relocating, provide written notice to the appropriate local animal control authority for the old address from which the animal has moved and the new address to which the animal has been moved.*

*(j) Any owner or custodian of a canine or canine crossbreed or other animal is guilty of a:*

*1. Class 2 misdemeanor if the canine or canine crossbreed previously declared a dangerous dog pursuant to this section, when such declaration arose out of a separate and distinct incident, attacks and injures or kills a cat or dog that is a companion animal belonging to another person;*

*2. Class 1 misdemeanor if the canine or canine crossbreed previously declared a dangerous dog pursuant to this section, when such declaration arose out of a separate and distinct incident, bites a human being or attacks a human being causing bodily injury; or*

*3. Class 6 felony if any owner or custodian whose willful act or omission in the care, control, or containment of a canine, canine crossbreed, or other animal is so gross, wanton, and culpable as to show a reckless disregard for human life, and is the proximate cause of such dog or other animal attacking and causing serious bodily injury to any person.*

*The provisions of this subsection shall not apply to any animal that, at the time of the acts complained of, was responding to pain or injury, or was protecting itself, its kennel, its offspring, a person, or its owner's or custodian's property, or when the animal is a police dog that is engaged in the performance of its duties at the time of the attack.*

*(k) The owner of any animal that has been found to be a dangerous dog who willfully fails to comply with the requirements of this section is guilty of a Class 1 misdemeanor.*

*(l). All fees collected pursuant to this section, less the costs incurred by the animal control authority in producing and distributing the certificates and tags required by this section, shall be paid into a special dedicated fund in the treasury of the county for the purpose of paying the expenses of any training course required pursuant to Section 3.1-796.104:1 of the Code of Virginia.*

*(a) Any humane investigator, law-enforcement officer, or animal control officer, may lawfully seize and impound any animal that has been abandoned, has been cruelly treated, or is suffering from an apparent violation of this chapter that has rendered the animal in such a condition as to constitute a direct and immediate threat to its life, safety, or health. Before seizing or impounding any agricultural animal, such humane investigator, law-enforcement officer, or animal control officer shall contact the State Veterinarian or a State Veterinarian's representative, who shall recommend to such person the most appropriate action for the disposition of the agricultural animal, provided, however, that the seizure or impoundment of an equine resulting from a violation of subdivision (a) (iii) or subdivision (b) (ii) of section 3-9 may be undertaken only by the State Veterinarian or State Veterinarian's representative who has received training in the examination and detection of sore horses equivalent to that required by 9 C.F.R. Part 11.7 and that is approved by the State Veterinarian. The humane investigator, law-enforcement officer, or animal control officer shall notify the owner of the agricultural animal and the local attorney for the Commonwealth of the recommendation. The humane investigator, law-enforcement officer or animal control officer may impound the agricultural animal on the land where the agricultural animal is located if:*

- 1. The owner or tenant of the land where the agricultural animal is located gives written permission;*
- 2. A general district court so orders; or*
- 3. The owner or tenant of the land where the agricultural animal is located cannot be immediately located, and it is in the best interest of the agricultural animal to be impounded on the land where it is located until the written permission of the owner or tenant of the land can be obtained.*

*If there is a direct and immediate threat to an agricultural animal, the humane investigator, law-enforcement officer, or animal control officer may seize the animal, in which case the humane investigator, law-enforcement officer, or animal control officer shall file within five business days on a form approved by the State Veterinarian a report on the condition of the animal at the time of the seizure, the disposition of the animal, and any other information required by the State Veterinarian.*

*Upon seizing or impounding an animal, the humane investigator, law-enforcement officer or animal control officer shall petition the general district court in the city or county wherein the animal is seized for a hearing. The hearing shall be not more than ten business days from the date of the seizure of the animal. The hearing shall be to determine whether the animal has been abandoned, has been cruelly treated, or has not been provided adequate care or is unfit for use within the county and shall petition any general district court in the county for a hearing which shall be in the nature of a criminal proceeding. The hearing shall be set not more than ten days from the date of the seizure of the animal to determine whether the owner, if known, is able to adequately provide for the animal and is a fit person to own the animal. The humane*

*investigator, or animal control officer, shall cause to be served upon the owner, if known and residing within the county, written notice at least five days prior to the hearing of the time and place of the hearing. If the owner is known but residing out of the county, written notice by any method of service of process as provided by the Code of Virginia shall be given. If the owner is not known, the humane investigator shall cause to be published in a newspaper of general circulation in the county notice of the hearing at least one time prior to the hearing and shall further cause notice of the hearing to be posted at least five days prior to the hearing at the place provided for public notices at the courthouse wherein such hearing shall be held.*

*(b) The humane investigator, law-enforcement officer, or animal control officer shall cause to be served upon the person with a right of property in the animal or the custodian of the animal notice of the hearing. If such person or the custodian is known and residing within the jurisdiction wherein the animal is seized, written notice shall be given at least five days prior to the hearing of the time and place of the hearing. If such person or the custodian is known but residing out of the jurisdiction where such animal is seized, written notice by any method or service of process as is provided by the Code of Virginia shall be given. If such person or the custodian is not known, the humane investigator, law-enforcement officer, or animal control officer shall cause to be published in a newspaper of general circulation in the jurisdiction wherein such animal is seized notice of the hearing at least one time prior to the hearing and shall further cause notice of the hearing to be posted at least five days prior to the hearing at the place provided for public notices at the city hall or courthouse wherein such hearing shall be held.*

*(c) The procedure for appeal and trial shall be the same as provided by law for misdemeanors; if requested by either party on appeal to the circuit court, trial by jury shall be as provided in article 4 of chapter 15 of title 19.2 of the Code of Virginia, and the commonwealth shall be required to prove its case beyond a reasonable doubt.*

*(d) The humane investigator, law enforcement officer, or animal control officer, shall provide for such animal until the court has concluded the hearing. The owner of any animal held pursuant to this section for more than thirty days shall post a bond in surety with the County for the amount of the cost of boarding the animal for a period of nine months. Such bond shall not prevent the animal's custodian from disposing of such animal at the end of the nine month period covered by the bond unless the person claiming an interest posts an additional bond in surety with the County to secure payment of the costs of caring for the animal for an additional nine months and does so prior to the expiration of the previous nine month period. At the conclusion of the case, the bond shall be forfeited to the County unless there is a finding that the owner is able to adequately provide for the animal and is a fit person to own the animal. If the animal is returned to the owner or other individual despite a violation of this section, the person posting the bond will be entitled to a return of the bond less the incurred expenses of boarding, medical care and impounding the animal.*

*If the court determines that the animal has been neither abandoned, cruelly treated, nor deprived of adequate care, the animal shall be returned to the owner. If the court determines that the animal has been abandoned, cruelly treated, or deprived of adequate care, then the court shall order that the animal be: (i) sold by the county; (ii) humanely destroyed, or disposed of by sale or gift to a federal agency, state-supported institution, agency of the Commonwealth, agency of*

*(e) In no case shall the owner be allowed to purchase, adopt, or otherwise obtain the animal if the court determines that the animal has been abandoned, cruelly treated, or deprived of adequate care; however, the court shall direct that the animal be delivered to the person with a right of property in the animal, upon his request, if the court finds that the abandonment, cruel treatment, or deprivation of adequate care is not attributable to the actions or inactions of such person.*

*(f) The court shall order the owner of any animal determined to have been abandoned, cruelly treated, or deprived of adequate care to pay all reasonable expenses incurred in caring and providing for such animal from the time the animal is seized until such time that the animal is disposed of in accordance with the provisions of this section, to the provider of such care.*

*(g) The court may prohibit the possession or ownership of other companion animals by the owner of any companion animal found to have been abandoned, cruelly treated, or deprived of adequate care. In making a determination to prohibit the possession or ownership of companion animals, the court may take into consideration the owner's past record of convictions under this chapter or other laws prohibiting cruelty to animals or pertaining to the care or treatment of animals and the owner's mental and physical condition.*

*(h) If the court finds that an agricultural animal has been abandoned or cruelly treated, the court may prohibit the possession or ownership of any other agricultural animal by the owner of the agricultural animal if the owner has exhibited a pattern of abandoning or cruelly treating agricultural animals as evidenced by previous convictions. In making a determination to prohibit the possession or ownership of agricultural animals, the court may take into consideration the owner's mental and physical condition.*

*(i) Any person who is prohibited from owning or possessing animals pursuant to subsection (g) or (h) may petition the court to repeal the prohibition after two years have elapsed from the date of entry of the court's order. The court may, in its discretion, repeal the prohibition if the person can prove to the satisfaction of the court that the cause for the prohibition has ceased to exist.*

*(j) When a sale occurs, the proceeds shall first be applied to the costs of the sale then next to the unreimbursed expenses for the care and provision of the animal, and the remaining proceeds, if any, shall be paid over to the owner of the animal. If the owner of the animal cannot be found, the proceeds remaining shall be paid into the Literary Fund of the state treasury.*

*(k) Nothing in this section shall be construed to prohibit the humane destruction of a critically injured or ill animal for humane purposes by the impounding humane investigator, law-enforcement officer, animal control officer, or licensed veterinarian.*
