

## RESOLUTION

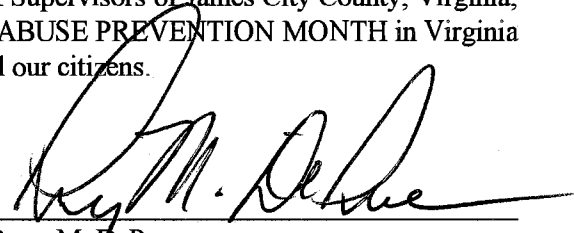

### ADULT ABUSE PREVENTION MONTH

WHEREAS, the incidence of abuse, neglect, and exploitation of older persons and disabled adults continues to increase as adults live longer and as the survival rate for those with disabling conditions increases; and

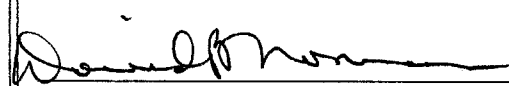

WHEREAS, Virginia continues to support innovative programs through the local departments of social services to prevent abuse, neglect, and exploitation of its most vulnerable adult citizens and to alleviate suffering of those who are victimized; and

WHEREAS, the problems of abuse, neglect, and exploitation affect older and disabled adults of every race, religion, and socioeconomic class.

NOW, THEREFORE, BE IT RESOLVED that the Board of Supervisors of James City County, Virginia, recognizes the month of May 1994 as ADULT ABUSE PREVENTION MONTH in Virginia and calls its significance to the attention of all our citizens.
