

RESOLUTION

2003 PRIMARY ROAD PRIORITIES

WHEREAS, the James City County Board of Supervisors believes that a safe, efficient, and adequate transportation network is vital to the future of the County, the region, and State; and

WHEREAS, the James City County Comprehensive Plan and/or regional and state transportation plans and studies conclude that the following highway projects are essential to permit the safe and efficient movement to traffic in the Williamsburg-James City County area; and

WHEREAS, there exists a pressing need to implement the projects below in order to relieve traffic congestion which impedes the actions of emergency vehicles and personnel, causes inconvenience and delays, and contributes the major source of air pollution to the area.

NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of James City County, Virginia, that the following list comprises the highest priority primary highway projects in James City County:

- Full funding and the minimization of delays for the widening of the existing sections of Route 199 to four lanes in those areas where only two lanes presently exist;
- Funding for design and construction of Route 60 East relocation with priority given to the section between Route 60 in James City County and the Fort Eustis Interchange;
- Funding for the improvements to the Route 199-Jamestown Road intersection and support of the locally preferred alternative;
- Funding for landscaping along the Route 199 corridor; and
- Proceeding with the next phases of preliminary design and environmental study for the Capital to Capital Bikeway project consistent with a resolution adopted by the Board of Supervisors on November 10, 1998.
