

RESOLUTION

CASE NO. SUP-17-04. JAMES CITY COUNTY COMMUNICATIONS TOWER - FORGE ROAD

WHEREAS, the Board of Supervisors of James City County has adopted by ordinance specific land uses that shall be subjected to a special use permit process; and

WHEREAS, antennas and towers in excess of 60 feet in height are a specially permitted use in the B-1, General Business, zoning district; and

WHEREAS, the Planning Commission of James City County, following its Public Hearing on June 7, 2004, recommended approval of Case No. SUP-17-04 by a 7-0 vote to permit the construction and operation of a 160-foot-tall communication tower as part of the James City County 800-MHz trunked radio system at the James City County Emergency Operations Center (EOC) on 3135 Forge Road and further identified as Parcel No. (1-27) on James City County Real Estate Tax Map No. (12-3).

NOW, THEREFORE, BE IT RESOLVED that the Board of Supervisors of James City County, Virginia, does hereby approve the issuance of Special Use Permit No. SUP-17-04 as described herein with the following conditions:

1. This special use permit shall be valid for a total of one tower. The maximum height of the tower shall not be greater than 160 feet. The tower site shall be developed generally in accordance with the site layout titled "Special Use Permit Plan for 140' Cellular Tower on the James City County Property" dated December 1, 2003, with the exception that the tower height may be increased to 160 feet. Additional minor changes may be approved by the Director of Planning.
2. Final building design, location, orientation, and construction materials for any supporting structures, such as equipment sheds and huts, shall be approved by the Director of Planning prior to final site plan approval.
3. A final Certificate of Occupancy from the James City County Codes Compliance Division shall be obtained within 24 months of approval of this special use permit, or the permit shall become void.
4. Within 30 days of the issuance of a final Certificate of Occupancy by the James City County Codes Compliance Division, certification by the manufacturer, or an engineering report by a Virginia-registered structural engineer, shall be filed by the applicant indicating the tower height, design, structure, installation, and total anticipated capacity of the structure, including number and type of antennas which could be accommodated, demonstrating to the satisfaction of the building official that all structural requirements and other safety considerations set forth in the 2000 International Building Code, or any amendment thereof, have been met.

5. The tower shall have a finish that is grey in color as approved by the Director of Planning. No additional lighting beyond the minimum required by the Federal Aviation Administration or Federal Communications Commission shall be allowed on the tower.
6. No advertising material or signs shall be placed on the tower.
7. This special use permit is not severable. Invalidation of any word, phrase, clause, sentence, or paragraph shall invalidate the remainder.
