WHEREAS, **Richard and Ila Jean McQuillan (the “Owners”)** or their representative have appeared before the Chesapeake Bay Board of James City County (the “Board”) on **February 11, 2010** to request an exception to the use of the Resource Protection Area (the “RPA”) on a parcel of property identified as JCC RE Tax Parcel No. **2340800010** and further identified as **4347 Sprucemont, Colonial Heritage (the “Property”)** as set forth in the application **CBE-10-056** for the purpose of **constructing 16 linear feet of 6” x 6” timber retaining wall & approximately 70 linear feet of 36” wide exposed aggregate walkway**; and

3. The exception request will be in harmony with the purpose and intent of Chapter 23 of the James City County Code, and is not of substantial detriment to water quality.
4. The exception request is not based on conditions or circumstances that are self-created or self-imposed, nor does the request arise from conditions or circumstances either permitted or non-conforming that are related to adjacent parcels.
5. Reasonable and appropriate conditions are hereby imposed, as set forth below, ~~which will prevent the exception request from causing a degradation of water quality.~~
6. In granting this exception, the following conditions are hereby imposed to prevent this exception request from causing degradation of water quality:
 - **The applicant must obtain all other permits required from agencies that may have regulatory authority over the proposed activities, including a James City County building permit if required.**
 - **Full implementation of the RPA Mitigation Plan submitted with the WQIA and any additional Board mitigation requirements shall be guaranteed through the provisions of the Ordinance contained in Sections 23-10(3) d. and 23-17(c), a form of surety satisfactory to the County Attorney.**

- **This exception request approval shall become null and void if construction has not begun by February 10, 2011, or all required mitigation plantings are not completed by that expiration date.**
- **Written requests for an extension to an exception shall be submitted to the Environmental Division no later than 2 weeks prior to the expiration date.**
