RESOLUTION

GRANT AWARD - POLICING IN THE 21ST CENTURY -

TECHNOLOGY INITIATIVE - \$12,444

- WHEREAS, the James City County Police Department has been awarded a grant for Policing in the 21st Century Technology Initiative from the Virginia Department of Criminal Justice Services (DCJS) for \$12,444; and
- WHEREAS, \$11,200 is awarded from the Commonwealth of Virginia and \$1,244 will be provided through an in-kind match; and
- WHEREAS, the funds are to be used to purchase the Police-to-Citizens Access (P2C) module for our existing Records Management System to provide convenience to citizens and increasing the efficiency of both sworn and civilian staff.
- NOW, THEREFORE, BE IT RESOLVED that the Board of Supervisors of James City County, Virginia, hereby authorizes the acceptance of this grant and the following appropriation amendment to the Special Projects/Grants Fund:

Revenue: DCJS - Technology Initiative \$11,200 Expenditure: DCJS - Technology Initiative \$11,200

Kevin D. Onizuk Chairman, Board of Supervisors
