F. BOARD REQUESTS AND DIRECTIVES

Ms. Sadler asked if the Board could have a closed session to discuss water availability and what the plans are for the future.

Mr. Kinsman stated that the Board is limited to what they can discuss in closed session by State law; therefore, a discussion about water availability would have to be done in open session.

Ms. Larson stated that it was mentioned previously about discussing the wells that have been taken over by the JCSA and the reasons for and the implications of that. She asked that it be on a future agenda sooner rather than later.

Mr. Powell stated that he is scheduled for a work session with the Board in September. If that is not part of the work session agenda, then he will have it added to a regular meeting agenda.

G. GENERAL MANAGER'S UPDATE

Mr. Powell updated the Board on the recent Health Department inspection of the water works system. The overall maintenance and operations of the facilities throughout the system was rated excellent.
