The following resolution was offered and adopted

Whereas, this board is aware of the fact that, the population of the City of Williamsburg, and the taxable values have materially increased, So that, now the revenues of said City are almost equal to those of the County of James City, which condition of affairs did not exist at the time a joint arrangement was entered into between the said City and County, by which the County was to pay $\frac{2}{3}$ and the City $\frac{1}{3}$ of all the court costs including salaries of the joint officers

Now therefore, be it resolved that, the City Council be respectfully requested to hold a special meeting, so that the members of this board, or a committee thereof may appear and request said Council to hereafter pay, commencing on July 1st, 1909 $\frac{1}{2}$ of all the court expenses, at which time and place the merits of the question can be fully discussed

Resolved further that, a copy hereof be furnished the

President of said Council, with request that he notify the clerk of this board of the time and place of such special meeting, that, the clerk may give notice to the members of the Board of Supervisors.

The vote being taken on the above resolution resulted as follows

This day came R L Spencer and John W Jones, a committee of the City Council of Williamsburg and asked permission of this board to use one of the lower floor rooms of the Joint jail building for the temporary use of the City fire engine, with the privilege of making the necessary change in the building at the cost of the said City, the building to be vacated upon ten days notice from the board and to be immediately restored to its original condition, at the cost of said City

And upon motion of D Warren Marston the request is granted upon the terms and conditions asked, provided same shall not go into effect until December 1st, 1908, and provided further that this action may be rescinded by the vote of any two members of this board expressed in writing and filed with the clerk of this board any time before December 1st 1908, that is to say that this action shall not be in any manner binding until after December 1st 1908 And not then if any two members between now and that time wish to rescind same, and so express themselves in writing filed as aforesaid

The report of T. H. Geddy, Clerk, showing the amount of County paper, held by the several banks in this County against James City County (which report shows \$3,140.39) was presented, examined and ordered filed, and

It is ordered that the Clerk of this Board prepare a statement of the annual allowances and disbursements including the settlement of the board with the Treasurer in the aggregate, which report shall show the amount which came under the control of the Board for the year 1908, the amount drawn out and the amount now outstanding against said County

Evening session

D Warren Marston, Excused

The following accounts being in the hands of several banks, to-wit - The Toano Branch of the Peninsula Bank \$1,608.88
The Peninsula bank of Williamsburg \$1,057.98
The Bank of Williamsburg 349.00

Making a total of \$3,015.86 and same having been presented to the Treasurer for payment as we are informed, and appearing from a settlement with the Treasurer at the July meeting that there only remains now a balance of \$2,068.22 to be collected and accounted for to this Board for the year ending June the 30th, 1909, this amount being subject to the delinquent and desolvent for said year, and that if the entire amount to be collected was applied to the payment of the County paper, held by the said several Banks, the Banks would not receive over 33 per cent of the amounts so held, and

Further that, the County would have no money to meet the urgent needs of said County until Dec 1st, 1909,

Therefore, on the motion of Jno. A. Barnes with the consent of Wm Lee, and the agreement of the several banks through their respective cashier, it is ordered that the Clerk of this board draw and deliver to the respective banks and order on the depositum fund for year 1909 - 10, to-wit To the Toano branch of the Peninsula bank \$32.17, To the Peninsula Bank \$21.15, and to the bank of Williamsburg \$7.98, for which said amount the said several banks are to hold all County papers now held by them until Jan. 1st, 1910, thereby leaving the amount to be collected and account for by said Treasurers of his settlement of July 26th, 1909, subject to orders of this board.

In the matter

Of road crossing near Ewell station, Virginia.

This day came the Chesapeake and Ohio Railway Company, by its Attorney and D. R. Norment, supervisor of the county of York, designated by the Board of Supervisors of said County to confer with this Board, relative to the suggested change in the public road grade crossing, located between Ewell station and Williamsburg, and more particularly shown on a blue print of said crossing this day filed and hereinafter referred to, and the Chesapeake and Ohio Railway, by its counsel, having produced before the Board a blue print showing the proposed change in said crossing and having expressed its consent to bear part of the cost of the proposed change provided the additional land needed for the proposed changed road be donated for that purpose, and it being expressed to the Board, that the owner of the three-tenths acres of land needed for the above purpose would donate the land for that purpose, and it appearing from the estimate of costs for changing the location of road crossing as proposed that, exclusive of the additional land desired, the costs of said change would be \$270.00, it is ordered that the said road crossing be changed as indicated on the blue print this day filed, of which cost this county shall pay one fourth thereof but not to exceed \$67.50, the county of York through its Supervisor D. R. Norment agrees to pay one fourth of said costs, but not exceed \$67.50, and the additional costs exclusive of land needed to be borne by the Trustee of the Chesapeake & Ohio Company, and the work of changing said crossing as planned shall begin as soon as reasonably possible after the additional land required shall have been dedicated for that purpose by proper procedure.

And it is ordered that in changing the said crossing the same shall be made according to the plans and upon the grade shown on the blue print this day filed aforesaid.

And it is further ordered that when the crossing aforesaid shall be changed as aforesaid, the old crossing shall be thereafter discontinued, and thereafter the public road shall be the road as located in accordance herewith.

And it is ordered that a copy of this order be certified by the Clerk of this Board to the Clerk of the Board of Supervisors of York County.

This day came the Honorable T. O. Sandy, representing the interest of the "Boy's Corn Club" in James City County, and requested the Board to make an appropriation to be used for the year 1912, in maintaining the said Club in said County, and

Thereupon the Board having due regard and consideration of the advantages to be derived from such a Club, deems the appropriation wise, and for the purpose of promoting agriculture in said County further deem it wise to have the undivided time of a Demonstrator for said County of James City for the year 1912.

Therefor on the motion of Wm. Lee, seconded by D. Warren Marston, be it resolved, that the sum of Two Hundred Dollars be, and the same is hereby appropriated from the funds of James City County to be used in promoting a Boy's Corn Club for James City County for the year 1912.

RESOLUTION

It being suggested to the Board, that in order to help and promote the public schools of this county, that the board of supervisors for many years have paid the Treasurer's commissions on all county and district school funds, from the general funds of the county, and had also taken care of the delinquent and insolvents, as well as the erroneous assessments, thereby giving to the schools the gross levy without any expense on the part of the schools.

It is therefore the sense of this board that, they by this, resolution ratify and confirm the action of the boards in so doing, as far as in their power, so to do and to authorize the continuance of said payments until the further order of this board.

In the matter of Establishing a road at Toano, in Stonehouse District.

Upon reading the report of L.T. Hankins, J. F. Farthing, R. K. Taylor, and G. L. Barleson, filed June 4th. 1915, reporting their action under the order entered herein on May 3, 1915, the Board determined in fave of establishing the road therein set forth, beginning at a point on the main stage road south of the overhead bridge above Toano, and running thence along the south side of the

right of way of the C & O railway to Toano, Depot, through the lands of Geo A. Hankins, Geo G. Hankins, and Alice Hankins, said road to be thirty feet wide, and to be established, constructed, and maintained by the applicants for same.

And thereupon came the said Geo A. Hankins, Geo G. Hankins, and Alice Hankins, without requiring a summons therefor, as provided by law, and the Board, after hearing testimony touching the expediency and propriety of establishing the said road, proceeded to fix upon a just compensation to the said proprietors for the land proposed to be taken and the damage accruing therefrom, and by consent of said land owners, arrived at the sum of One hundred dollars as compensation for the land taken and the damages accruing therefrom.

Therefore, it is ordered that said road be, and the same is hereby established as a public road, without gates, provided, however, that said road be opened and established and maintained by the applicants. And it is further ordered that an order be drawn for the sum of One hundred dollars for the payment of the compensation allowed for said land and damages.

In the matter of changing the location of the landing at Hog Neck on Chickahominy River.

This day came the Clay Products Corporation, a corporation created by and existing under the laws of the State of Virginia, by J. C. Robinson, its Secretary and Treasurer, and presented to the Board a written application asking the privilege of exchanging one half acre of land on the east side of the brickyard at said Hog Neck and a road leading thereto for the landing on said river west of said brickyard and the road leading thereto, as shown by a plot attached to said application, which said application is signed by C. C. Cowles, W. Walker Ware, and E. T. Martin, recommending that said petition be granted.

And it appearing to the satisfaction of this board that the public will not be inconvenienced by a change of said landing, and the said Clay Products Corporation, by J. C. Robinson, its Secretary and Treasurer, agreeing to construct the new road, leading to said landing and to establish and put in proper condition for use, the landing without any cost whatsoever to the county of James City.

Therefore, it is ordered that said landing be, and the same is hereby established as and for a public landing and the road leading thereto, as designated and shown by said map, upon the said Clay Products Corporation executing and delivering to the clerk of this Board a good and sufficient deed, properly acknowledged for recordation, conveying to the county of James City the land for said landing and the road leading thereto, as designated and shown on said map, and provided further that said road and landing be put in good condition by the said Clay Products Corporation.

, It is further ordered that upon the delivery of said deed and the construction of said road and landing, and the payment of all costs of this proceeding, including the preparation, acknowledgment and recordation of said deed, that the land heretofore condemned for the landing heretofore established, and the leading therto, from where the said intersects with the new road designated and shown on said map, shall revert to the said Clay Products Corporation, it being the present owner of the tract of land from which said road and landing was condemned.

In the matter of establishing a public landing on Yarmouth Creek, at Turners Neck, and a public road leading thereto.

It appearing to the Board from the report of R. E. Gatewood, P. T. Cowles, H. W. Wynne, and E. T. Martin, viewers, filed herein on June 5, 1915, reporting their proceedings under order entered May 3, 1915, that it is expedient that said landing and a road leading thereto should be established, the Board determined in favor of same.

And it appearing that the applicants have secured a right of way from for road over the lands of Robert Wallace, Amanda Johnson, Geo White, Susan Jackson, Ellen Brown, Geo Sheppard, Joe Cox, J. B. Tallafarro, Hazen Williams, Mrs D. W. Marston and Geyser Tyler, which land owners do not require compensation.

And it appearing further from said report that some of the land of the estate of Wesley Tyler will have to be taken for said landing and also for a portion of said road, and that some of the land of John Tyler's estate, as well as some of the land of R.H. Meekins' estate will have to be taken for said road.

It is therefore ordered that the clerk of this Board do issue process, commanding Amanda Tyler, widow of Wesley Tyler, dec'd. Sarah Shepperd, widow of John Tyler, dec'd, and Curley Tallafarro, widow of Richard Meekins, dec'd proprietors and tenants of the land upon which said landing and road are to be established, to appear at the next meeting of this board and show cause, if any they can, against the establishment of same, the said summons to be served by the sheriff of the County of James City and City of Williamsburg.

In the matter of establishing a road in Jamestown District, beginning at a point on the public road leading from Green Spring to James River church.

Upon reading the report of C.F. Ayres, Edward Gilly, J. A. Babcock, Thomas Robinson, and R. Houge, viewers, appointed by an order entered on May 3rd, 1915, filed herein on June 7, 1915, the board being in favor of establishing the road as herein set forth, doth order that the clerk of this board do issue process so summon Ida Graves, the tenant in possession through whose land said road will pass, to appear at the next meeting of this board, and show cause, if any she can, against the establishment of said road.

In the matter of auditing the county treasurers books. Order.

It is moved and carried, directing Geo B Wilson & Co. Pichmond, Va., to audit the county treasurers books for the period from July 1910, to July 27th, 1914, inclusive, and to verify settlement made between G. G. Hankins, administrator on estate of S.S. Williamsburg, Va.
Sep. 28, 1920.

The Board of Supervisors of James City, State of Virginia, in Special meeting assembles, to adopt the following resolution with reference to the proposed concrete road between Williamsburg and Lee Hall.

RESOLVED: That it is the opinion of this Board that the proposed link of concrete road between Williamsburg and Lee Hall should be built via Grove and not via Halstead's Point, for the reason that the former route will greatly enhance land value, is in the best interest of the State, and will develop a splendid farming section which spreads along both sides of the road, and is privately owned, and is no longer for through travel.

And be it further resolved, that this Board join with certain property owners of the County of James City in a petition for the relocating of the said road via Grove.

Resolution as to Jamestown Road-adopted and copy sent to Hon.
H. G. Shirley, Highway Commr.

WHEREAS, The Board of Supervisors of James City County, Virginia, is of the opinion that the present dirt road from Williamsburg to Jamestown is wholly insufficient to withstand the great amount of traffic occasioned by the historical interests at Jamestown and Williamsburg and the additional traffic over said road since the opening of the ferry from Jamestown to Scotland Wharf is Surry County.

NOW, THEREFORE, BE IT RESOLVED, that this Board officially request that Virginia State Highway Commissioner allocate sufficient funds and build a concrete road from Williamsburg to Jamestown, Virginia.

And be it further resolved; that the Clerk of this Board be directed to certify a copy of this resolution to the Hon. H. G. Shirley, Commr. for the State of Virginia.

Resolution as to State Money Aid, heretofore allotted to construction of Road No. 5 allotted to Road No. 9, allotted to road No. 3 adopted and copy certified to Highway Commr.

RESOLVED, that the State Aid Money heretofore allotted to the construction of Road No. 5, between Hickory Forks and Barrett's Ferry, be placed to the credit of the road fund of Jamestown District as reimbursement of money spent on the construction of this road and the State Highway be requested to approve this resolution and forward the State's portion to the County Treasurer.

RESOLVED that the State Aid money heretofore allotted to Road No. 9, between Route #39 and the New Kent line, be allotted to Road No. 3 between Norge and Croaker, and that the same be placed to the credit of the road fund of Stonehouse District as reimbursement of money spent on construction of said road, and that the State Highway be requested to approve this resolution and forward the State's portion to the County Treasurer.

Mr. T. H. Geddy,
Clerk of the Court,
James City County,
Williamsburg, Va

Dear Mr. Geddy

The Treasurer's check for \$150 00 reached this office probably while I was in your county and was returned to him with the request that it be certified. I am writing in hopes that this check has not been mailed back to us and if such is the case would you kindly ask the Treasurer to re-write this check to read \$73.53 instead of \$150 00. The balance due the county from last year's appropriation including a small item in August is \$76 47 and therefore \$73 53 added to this would aggregate \$150 00 which is the usual appropriation. I feel quite sure that an appropriation of \$150.00 is sufficient for a county the size of James City and believe it wise not to carry over this heavy balance. If the above mentioned check has been mailed out we can return it for this change.

I am glad to be able to tell you that I found Mr. Wynne much better. He was actually hobbling around with a stick.

I enjoyed our little chat at your office and hope I may see more of you later.

Sincerely yours,

District Agent
