**D. HIGHWAY MATTERS**

Mr. Steven Hicks, Williamsburg Resident Engineer, Virginia Department of Transportation (VDOT), provided presentation on the completed enhancement project on the portion of **Ironbound Road** (Route 615) between Sandy Bay Road (Route 681) and Jamestown Road (Route 31).

Mr. Hicks stated that the Secondary System Six-Year Road program's budget has been significantly reduced over the next few years and more community goal projects will be applied, such as the Route 615 enhancement project, to compensate for some of the funding reduction.

Mr. McGlennon commented that the citizens appreciated VDOT working with the neighborhood during the process; and that the project's expenditures were one-sixth of the estimated cost and was completed four years early.

Mr. Brown requested Mr. Hicks pass on the Board's appreciation of great work on the road renovation project.

Mr. Brown requested a warning sign be posted near the entrance to Winter East (Route 1537) off Season's Trace (Route 1530) to warn motorists of an obscured entrance.

Mr. Bradshaw inquired if the road improvement project for Sycamore Landing Road (Route 607 North of Croaker Landing Road) would be similar to the Ironbound Road (Route 615) enhancement project.

Mr. Hicks stated that Sycamore Landing Road (Route 607 North of Croaker Landing Road) is not in the Six-Year Secondary Road Plan; however, the enhancement project is the concept for Mount Laurel Road (Route 751) and Croaker Road (Route 607). Mr. Hicks stated that the anticipated costs for the Croaker Road project continues to increase.

Mr. **McGlennon** stated that local tourism businesses would like visitors exiting Busch Gardens to see signs directing them to local services prior to them getting onto the Interstate.

Mr. **Goodson** requested an update on the traffic **signage** for the Brewery traffic.

Mr. Hicks stated that the "No-U-Turn" sign was posted at the wrong intersection and that it is being relocated to the correct location.

Mr. **Goodson** inquired about the status of Plantation Road in the Roberts District.

Mr. Hicks stated that new land disturbance seems to have occurred and that new regulations begin July 1, which will require VDOT to go through environmental review process to do minor modifications to the road,

The proceeds of the Bonds will be used to assist the APVA in financing or refinancing: 1) the construction, equipping, and development of a 7,500-square-foot building to be called the "Archaearium"; 2) the renovation, equipping, and development of an existing building known as the "Dale House"; 3) the acquisition, construction, and equipping of mobile units for exhibit space and other improvements at Historic Jamestowne (together, the Archaearium, the Dale House, the mobile units, and the
