Article III. Stopping, Standing and Parking.

Section 11-46. Keeping of inoperative automobiles in residential, commercial or limited agricultural, A-2, zones.

It shall be unlawful for any person, firm or corporation to keep, except within a fully enclosed building or structure or otherwise shielded or screened from view, on any property zoned for residential or commercial or limited agricultural, A-2, purposes, any motor vehicle, trailer or semitrailer, as such is defined in Section 46.1-1 of the Code of Virginia, which is inoperative; provided, however, no more than one such inoperable vehicle may be kept outside of a fully enclosed building or structure if shielded or screened from view by covers. An inoperative motor vehicle shall mean any motor vehicle which is not in operating condition; or which for a period of sixty days or longer has been partially or totally disassembled by the removal of tires and wheels, the engine, or other essential parts required for the operation of the vehicle or on which there are displayed neither valid license plates nor a valid inspection decal. The provisions of this act shall not apply to a licensed business which on June 26, 1970, is regularly engaged in business as an automobile dealer, salvage dealer or scrap processor.

The owners of property zoned for residential or commercial or limited agricultural, A-2, purposes shall, at such time as the county or its agent may prescribe, remove therefrom any such inoperative motor vehicles, trailers or semitrailers that are not kept within a fully enclosed building or structure. If, after reasonable notice, the owner of the premises has failed to remove such vehicles, the county, through its own agent or employees, may remove them. The county, through its own agent or employees, may dispose of such motor vehicles, trailers or semitrailers after giving additional notice to the owner of the vehicle.

The cost of any such removal and disposal shall be chargeable to the owner of the vehicle or premises and may be collected by the county as taxes and levies are collected. Every cost authorized by this section with which the owner of the premises shall have been assessed shall constitute a lien against the property from which the vehicle was removed, the lien to continue until actual payment of such costs have been made to the county.
