

ADOPTED

APR 20 1992

ORDINANCE NO. 116A-22

BOARD OF SUPERVISORS
JAMES CITY COUNTY,
VIRGINIA

AN ORDINANCE TO AMEND AND REORDAIN CHAPTER 8, HEALTH AND SANITATION, OF THE CODE OF THE COUNTY OF JAMES CITY, VIRGINIA, ARTICLE II, LANDFILL ORDINANCE, BY AMENDING SECTION 8-9. HOUSEHOLD WASTE.

BE IT ORDAINED by the Board of Supervisors of the County of James City, Virginia, that Chapter 8, Health and Sanitation, is hereby amended and reordained by amending Section 8-9. Household Waste.

Chapter 8. Health and Sanitation

Article II. Landfill Ordinance

Section 8-9. Household waste.

(a) Individuals using an automobile, station wagon, half-ton panel truck or half-ton pickup truck, with a valid county motor vehicle tag, decal or sticker, for the purpose of disposing of household refuse at the county landfill shall not be required to pay for disposal of refuse, provided, that the refuse being disposed of was neither collected nor hauled for a fee; and provided, that certain recyclable materials have been separated by the individual prior to bringing the household refuse to the Landfill for

disposal. *Provided, however, that the charge for loads of household waste transported in vehicles larger than a half-ton pickup truck, and meeting all other conditions above, may be waived upon application to the Manager in accordance with the Landfill Operating Procedures.* The materials to be separated shall include aluminum cans, glass containers and newsprint. It shall be unlawful for an individual to dispose of household refuse from their home at the County Landfill unless the specified materials have been separated. Commercial haulers, under contract with the county to service county refuse containers, shall not be required to pay for disposal of refuse collected from county refuse containers.

(b) Commercial, industrial and governmental waste generators who bring their own refuse to the landfill, and commercial refuse operators-haulers regardless of the origin of the refuse shall pay the following fees:

Thirty-three dollars (\$33.00) per ton, computed on the basis of thirty-three cents (\$0.33) per each twenty (20) pounds or fraction thereof. Such charge shall be computed to the next highest one cent (\$0.01). The minimum charge shall be two dollars and fifty cents (\$2.50) per load.

Any person exempted from payment of the charge for the disposal of refuse as provided in paragraph (a) above will not be assessed any charges as provided in this paragraph.

(c) The manager may promulgate reasonable rules and regulations to permit certain materials (for example, soil or gravel) determined to be beneficial in the proper operation and maintenance of the landfill to be disposed of without charge to the hauler.

(d) Tires. Whenever more than two (2) passenger car tires are disposed of on any occasion at the county landfill by any person, firm or corporation, a separate fee of seventy-five cents (\$0.75) shall be charged for each tire above two (2). The manager may at his discretion authorize the disposal of tires other than passenger car tires, at a charge per tire to be determined by the manager. The charge shall be based on the cost to handle and dispose of the tires.
