WHEREAS, an Agricultural and Forestal District has been established in the Mill Creek Area; and

WHEREAS, in accordance with Section 15.2-4305 of the Code of Virginia, property owners have been notified, public notices have been filed, public hearings have been advertised, and public hearings have been held on the application for an addition to the Mill Creek Agricultural and Forestal District; and

Linda B. Cowles	(10-4)(1-5A)	<u>17.0</u> acres
	Total	<u>19.0</u> acres

provided, however, that all land within 25 feet of the road rights-of-way of Forge Road (Route 610) shall be excluded from the district.

2. That pursuant to the Virginia Code, Sections 15.2-4312 and 15.2-4313, as amended, the Board of Supervisors requires that no parcel in the Mill Creek Agricultural and Forestal District be developed to a more intensive use without prior approval of the Board of Supervisors. Specifically, the following restrictions shall apply:
 - a. The subdivision of land is limited to 25 acres or more, except where the Board of Supervisors authorizes smaller lots to be created for residential use by members of the owner's immediate family, as defined in the James City County Subdivision Ordinance. Parcels of up to five acres, including necessary access roads, may be subdivided for the siting of communications towers and related equipment, provided:
 - a) The subdivision does not result in the total acreage of the District to drop below 200 acres; and b) The subdivision does not result in a remnant parcel of less than 25 acres.
 - b. No land outside the Primary Service Area (PSA) and within the Agricultural and Forestal District may be rezoned and no application for such rezoning shall be filed earlier than six months prior to the expiration of the district. Land inside the Primary

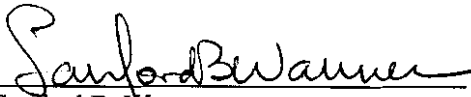

Service Area (PSA) and within the Agricultural and Forestal District may be withdrawn from the District in accordance with the Board of Supervisors' policy pertaining to Withdrawal of Lands from Agricultural and Forestal Districts Within the Primary Service Area, adopted September 24, 1996.

- c. No special use permit shall be issued except for agricultural, forestal or other activities and uses consistent with the State Code Section 15.2-4301 et. seq. which are not in conflict with the policies of this District. The Board of Supervisors, at its discretion, may issue special use permits for wireless communications facilities on AFD properties which are in accordance with the County's policies and ordinances regulating such facilities.
