NOW, THEREFORE, BE IT RESOLVED by the Board of Supervisors of James City County, Virginia, that:

1. The Mill Creek AFD is hereby amended by the addition of the following parcel:

provided, however, that all land within 25 feet of the road right-of-way of North Riverside Drive (Route 715) shall be excluded from the district.

2. Pursuant to the Virginia Code, Sections 15.2-4312 and 15.2-4313, as amended, the Board of Supervisors requires that no parcel in the Mill Creek AFD be developed to a more intensive use without prior approval of the Board of Supervisors. Specifically, the following restrictions shall apply:
  - a. The subdivision of land is limited to 25 acres or more, except where the Board of Supervisors authorizes smaller lots to be created for residential use by members of the owner's immediate family. Parcels of up to five acres, including necessary access roads, may be subdivided for the siting of communications towers and related equipment, provided, a) The subdivision does not result in the total acreage of the District to drop below 200 acres; and b) The subdivision does not result in a remnant parcel of less than 25 acres.

- b. No land outside the PSA and within the AFD may be rezoned and no application for such rezoning shall be filed earlier than six months prior to the expiration of the district. Land inside the PSA and within the AFD may be withdrawn from the District in accordance with the Board of Supervisors' policy pertaining to Withdrawal of Lands from Agricultural and Forestal Districts Within the Primary Service Area, adopted September 24, 1996.
- c. No special use permit shall be issued except for agricultural, forestal, or other activities and uses consistent with the State Code Section 15.2-4301 et. seq., which are not in conflict with the policies of this District. The Board of Supervisors, at its discretion, may issue special use permits for wireless communications facilities on AFD properties, which are in accordance with the County's policies and ordinances regulating such facilities.
