NOW, THEREFORE, BE IT ORDAINED that the Board of Supervisors of James City County, Virginia, hereby adds ± 50 acres located at 2756, 2900, and 3006 Jolly Pond Road and identified as James City County Real Estate Tax Map Parcel Nos. 3520100007, 3610100001, and 3030100007, (the "Property") to AFD-09-86, which is generally known as the "Gordon Creek Agricultural and Forestal District" (the "District") with the following conditions:

1. That pursuant to Virginia Code Section 15.2-4309 of the Act, the Board of Supervisors requires that any parcel in the District shall not, without the prior approval of the Board of Supervisors, be developed to any more intensive use, other than uses resulting in more intensive agricultural or forestal production. Specifically, the following restrictions shall apply:
 - a. The subdivision of land is limited to 25 acres or more, except where the Board of Supervisors authorizes smaller lots to be created for residential use by members of the owner's immediate family, as defined in the James City County Subdivision Ordinance. Parcels of up to five acres, including necessary access roads, may be subdivided for the siting of Wireless Communications Facilities (WCFs), provided: a) the subdivision does not result in the total acreage of the District to drop below 200 acres; and b) the subdivision does not result in a remnant parcel of less than 25 acres.
 - b. Land within the District may be withdrawn from the District in accordance with the Board of Supervisors' Policy Governing the Withdrawal of Properties from Agricultural and Forestal Districts, adopted September 28, 2010.

- c. No Special Use Permit (SUP) shall be issued except for agricultural, forestal, or other activities and uses consistent with the Act, which are not in conflict with the policies of this District. The Board of Supervisors, at its discretion, may issue SUPs for WCFs on properties in the District that are in accordance with the County's policies and Ordinances regulating such facilities.
