Development Concepts of Virginia, Inc./Case Z-20-87

Dear Marvin:

I write on behalf of Development Concepts of Virginia, Inc. to apply to amend the proffers approved as part of the recent rezoning for the last phase of the Williamsburg Office Park. The requested amendment increases the permitted number of square feet of floor area from 20,000 to 24,000. As you are aware, this change would not affect the proposed project at all but removes a technical inconsistency between the approved Master Plan and the Proffers arising from differing interpretations of the term "floor area" as used in the Proffers. I enclosed a fully executed, revised version of the Proffers.

We would like to have the case heard by the Board of Supervisors as soon as possible. Please give me a call if you need anything further.

Very truly yours,

A handwritten signature in cursive script that reads "Vernon".
